## Central Zone of Pony Clubs Inc.

Funding Application for

National – International events

### Guidelines

- This form is for any Central Zone Club members that have competed at a National or International level.  
Central Zone will offer a small financial contribution to the costs associated with the uniforms, travel, fuel etc.
- One application per person, per national competition
- If a rider is successful in multiple disciplines at the same event, the application is treated as one application, not multiple
- If you are successful in competing in both a National and International event, you may apply for both events
- Applicants must have competed on behalf of a central zone club
- Applications are to be made within 12 weeks after the conclusion of the event.
- Applications received outside this timeline will only be accepted and reviewed under exceptional circumstances.
- Reserve riders are included, if they can show receipts for their cost outlay
- Applications to be sent to [centralzone.pcav@gmail.com](mailto:centralzone.pcav@gmail.com) . You will receive an email acknowledging receipt of your application
- Applications once received will take approx. 3 months to review and the applicant advised of the outcome
- Its is the rider's responsibility to ensure that the forms are submitted
- Central Zone accepts no liability for any rider missing the application process
- Clubs are responsible for ensuring the rider is aware of the process, however they are not required to lodge on their behalf.
- Central Zone reserves the right to offer \$0, where the zone is not in a financial position to assist.
